# Our Services

## Our Process is

**C***COLLABORATE*

Great ideas can come from anywhere, so we and our engineering and construction partners work together as one team.

**L***LISTEN*

We listen to our clients and their needs for expertise. We pay attention to what's right and relevant.

**E***EMPATHIZE*

We always put our clients at the center of our strategy so our work can create real benefit for them.

**A***ANTICIPATE*

We think not only about what clients say they want, but also how we can anticipate their needs and make the architectural design better.

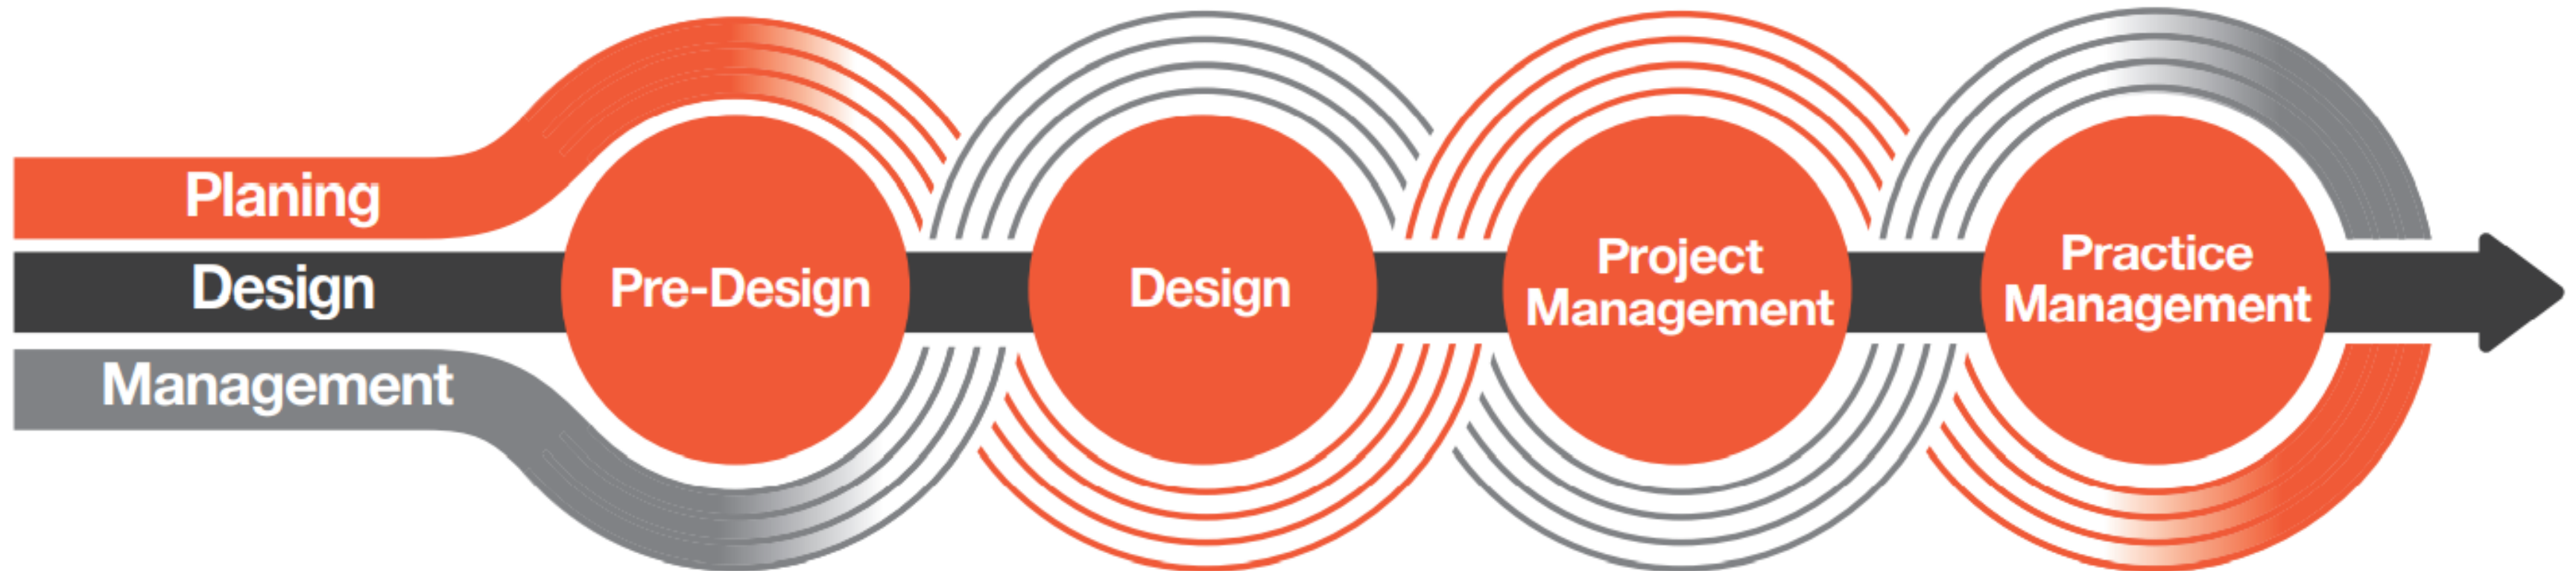

**R***REFINABLE*

We are not rigid with our ideas, we adapt to changes.

## Every Project is Different.

# Our Process

Programming  
Site and Building Analysis  
Project Cost and Feasibility  
Planning and Zoning  
Regulation
